

Block of the Month

- ❖ Each month we will create a 12-inch block in a new pattern and color combination. The pattern and color combination for the month will be posted in the guild newsletter, on Konza Prairie Quilters Guild facebook page, and this website. A few printed copies will be available at the regular guild meetings.
- ❖ For every block you enter, your name will be added to the monthly drawing. (Enter three blocks, your name goes in the drawing three times.)
- ❖ The name drawn will win a stack of blocks to make into their own small quilt top!
- ❖ The number of names drawn will be determined by the number of blocks entered that month.
- ❖ Make one block for the guild drawing and one for yourself! (The block that you keep for yourself can be made in the colors of your own choosing.)
- ❖ By the end of the year you will have twelve different 12” blocks for a quilt top for your own quilt top!
